PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Enclosed is a decision (the "Decision") dated September 15, 2006, on a petition to withdraw holding of abandonment. The Decision indicates that in the petition (the "Petition") filed July 2, 2006, Petitioner did not include a copy of Applicant's timely filed reply (the "Reply") of March 1, 2005, to Office action. However, Petitioner did, in fact, submit that Reply with the Petition. Petitioner surmises that perhaps the Office of Initial Examination did not scan all the attachments submitted with the Petition. Petitioner hereby again requests that the holding of abandonment be withdrawn. Once again, Petitioner herein submits evidence showing that Applicant did, in fact, timely file a reply to the subject Office action.

Petitioner requests that the fee for filing a petition be waived.

Application No.10/059,554

Filing Date: 01/30/2002

Evidence showing that Applicant timely filed a reply:

On March 1, 2005, Attorney Joseph P. Lally filed a reply to the December 1, 2004, Office action by facsimile transmission. A copy of this transmittal is enclosed as Exhibit "AA." Note, in particular, that the first page of the reply of March 1, 2005, includes a signed and dated certificate of transmission in compliance with 37 CFR 1.8. While the enclosed USPTO Auto-Reply Facsimile Transmission acknowledgment is less than ideally legible, it is also included herein, because it does provide *some* additional evidence of the transmission of the reply of March 1, 2005.

Respectfully submitted,

OFFICE OF PETITIONS

ON PETITION

In re Application of
Bradley, et al.
Application No. 10/059,554
Filed: January 30, 2002
Attorney Docket No. AUS920010743US1

This is a decision on the petition under 37 CFR 1.181 filed on July 2, 2006, to withdraw the holding of abandonment in the above-cited application.

The petition is **DISMISSED**.

The above-identified application became abandoned for failure to reply to the non-final Office action mailed December 1, 2004, which set a shortened statutory period for reply of three-months from its mailing date. No response was received within the allowable period, and the application became abandoned on March 2, 2005. A Notice of Abandonment was mailed on June 16, 2006.

Petitioner argues that a reply the non-final Office action was transmitted via facsimile on March 1, 2005, and received by the Office. As evidence of the same, petitioner provides the Auto-Reply Transmission that was allegedly returned to petitioner after the response to the non-final Office action was transmitted.

The petition cannot be granted on the basis of the Auto-Reply Transmission Sheet because the Auto-Reply transmission sheet, as seen in the Image File Wrapper of the application is illegible. Petitioner must file a legible copy of the Auto-Reply Transmission Sheet, or a copy of the response allegedly transmitted on March 1, 2005, containing a certificate of transmission in compliance with 37 CFR 1.8.

Further correspondence with respect to this matter should be addressed as follows:

United States Patent and Trademark Office
